

Patriot Sporting Spaniel Club

Club Training Day June 12, 2021 @8am

Sharps Farm 55 Little Frost Road Contoocook, NH 03229

Training day is open to all PSSC members.

We have the grounds. We have birds. Bring your pups. Let's do some training. This will be a loosely structured day. Training exercises will be determined by those participating. In other words, come with a plan and plan to help out. We are all there to assist each other. We are all volunteers. There will be no professional guidance or tutoring. But, there will be plenty of opinions, no doubt. The day will be a success if everyone gets involved and assists fellow members.

We will meet at the pavilion and primarily do field work. Water work is also an option.

Cost: \$10 Plus cost of Birds (Chukars are costing \$11.00 currently). RSVP is required.

Let us know your training expectations. (What you feel you

The Amazing Truman will be there!

Please RSVP by June 8, to Dave White - <u>dave@davewhitephoto.com</u>

Lunch? You guessed it. Bring your own.
